

Biotime 8 – How to Fix incorrect time on Device

Following are steps to take when you fix time on the device.

Device > Device > Device

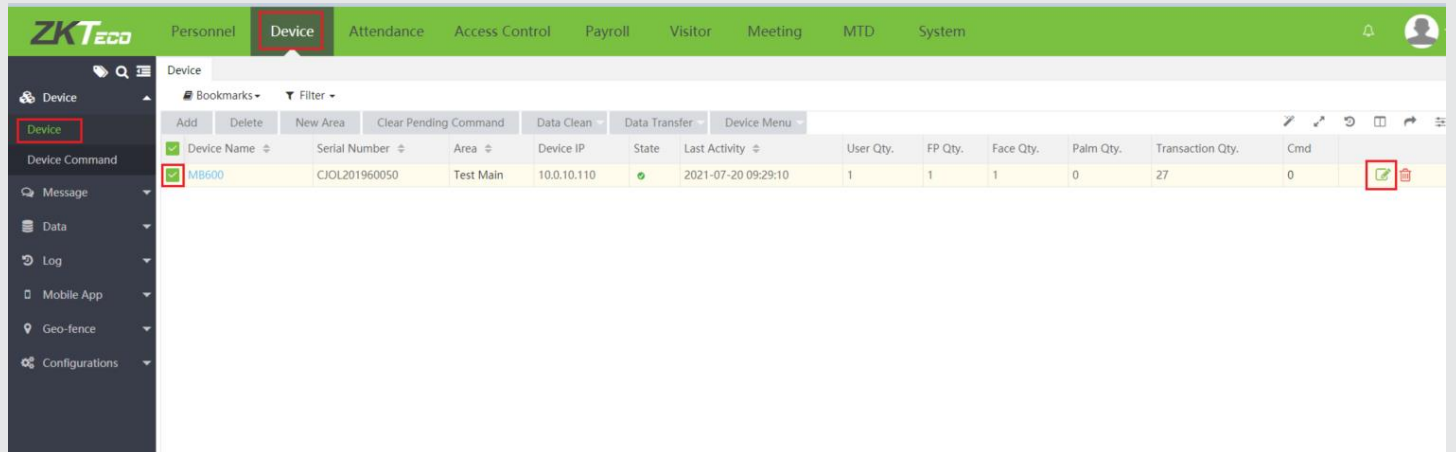

Select the device by ticking the tick box

The screenshot shows the ZKT ECO software interface. The top navigation bar includes 'Personnel', 'Device', 'Attendance', 'Access Control', 'Payroll', 'Visitor', 'Meeting', 'MTD', and 'System'. The 'Device' tab is active. On the left sidebar, 'Device' is selected. The main area displays a table of devices. The first row, representing device 'MB600', has a green checkmark in the selection column, which is highlighted with a red box.
