

Biotime 8 - License - Already exceeds the Authorization Number

Following are steps to take when getting this error code when you log in

Too many users are enabled for the app. Please disable the app from the user.

Firstly, ZKTeco Support needs to increase your license temporarily.

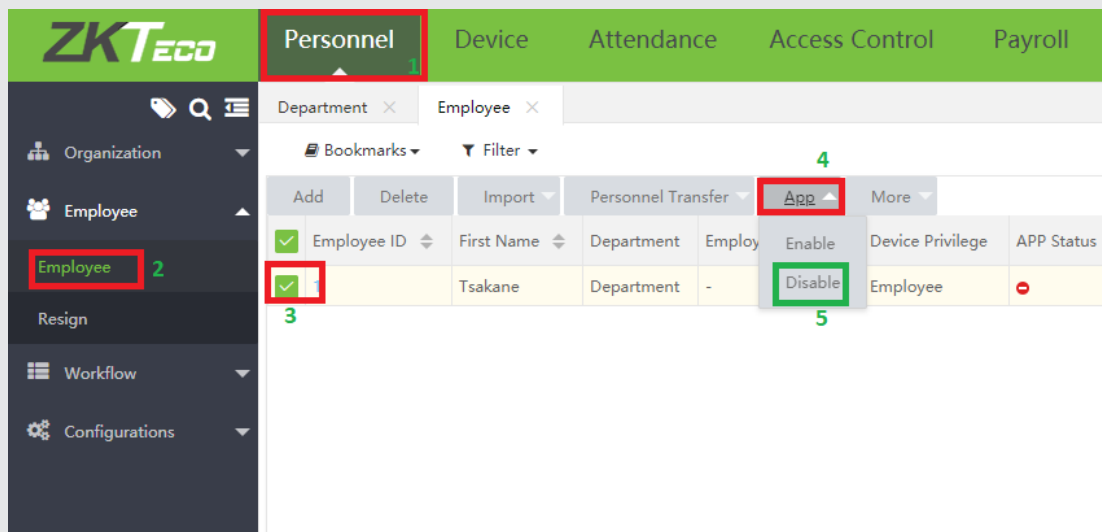

Once you are in the software please disable the user.

To remove the users from APP

Personnel > Employee > Employee

Select the user by ticking the tick box

Click on APP Tab

BioTime 8.0
